Francis Xavier Journal of Science Engineering and Management has received the International Standard Serial Number.

Chronicle Survey 2022
In the 10th All India Top Engineering Colleges Survey 2022, Francis Xavier Engineering College received A+ Grade, the 21st Rank (National Level) and the 5th Rank in the southern Zone of India.

Fortune Survey 2022
In the recent survey conducted by Fortune India, Francis Xavier Engineering College received India's Best B-School Award: 37th Rank in the Southern Zone of India and 119th Rank among the B-Schools in India.

CLUB ACTIVITIES

English Proficiency Club
English Proficiency Club of FXEC conducted Word Jumble Race contest. The event was coordinated by Prof. Thamizh Paavai, Faculty of English.

Readers Club
FX Readers Club in association with NDLI Club organized an event "Book Reader's Inspiration"

"Embrace the power of thought to enhance the power in you. You are the product of your thought" : Tmt. Adyasha Parida, Senior Project Manager, Infosys Expert Talk on "Power of You"

KANAGALAKSHMI M I MBA
"Be it any skill, motivation plays a very important role". Acknowledging the importance of motivating the students, Francis Xavier Engineering College organized the first series of Industry-Institute interaction for the first year students of the batch 2022-23. On 2nd December 2022, Tmt. Adyasha Parida, Senior Project Manager, Learning Function for Finacle Human Resource Operations, Infosys Limited interacted with the students on "Power of you". During the Interaction, she highlighted that each one is unique and said "Embrace the power of thought to enhance the power in you. You are the product of your thought". Further, she gave inputs on effective corporate communication expected by the industries and instructed the students to grow professionally and personally by prioritizing their work.

Tmt. Adyasha Parida, Senior Project Manager
Learning Function for Finacle Product Human Resource Operations, Infosys Limited addressing the Students.

Dr. Cletus Babu, Chairman, SCAD Group in his address motivated the students to make use of the 4 years of stay and equip themselves to land on a lucrative job. Dr. Jeyakumar K, GM(D), Mr. Krishnakumar, GM(A). Dr. Mohamed Sathik, Director (CSS), Dr. John Kennedy, Director (Admission), Dr. Balaji, Director, TSD were present. The event was organized by Dr. Ganasaravanan, Director, Placements. The event supported the students to increase their self-confidence to realize their power as aspiring engineering students. Further, the interaction paved the way for the students to clarify their doubts regarding industry culture and how to get honed to grab the best opportunities in reputed MNCs.

Inculcating in students the ethos and culture: Freshmen Induction Programme

A Section of the students at the Freshmen Induction programme

MAHABOUB WASHIFA M, I MBA
An Inspirational talk on "Realize your Potential to reach your Goal" under the activity code ACT/22-23/00919 was organized for the first year B.E / B.Tech students of Francis Xavier Engineering College on 28.11.2022 (Monday) to spur up the young minds of the freshers of the batch 2022 - 23. The first session on "Aaha Personality" was handled by Dr. Narayanan M, Former COE, Sadhakadhullah Appa College, Tirunelveli, who kindled the

spirit of the students to mold themselves into Aaha personality by following few strategies in life. The session was very lively with practical-real life examples. The second session was handled by Dr. Mohamed Sathik, Director School of Computer Studies. He spoke on identifying the true potential of oneself by enhancing one's own competence to "See the Real You". The session was very informative and made the students realize their potential to make themselves reach their goals in the future.

Faculty Development Programme on "The Power of Habits"

KANAGALAKSHMI M I MBA
As Faculty Development programmes enhance the academic and intellectual environment in Institutions, Francis Xavier Engineering College and the Internal Quality Assurance Cell in association with the Department of Master of Computer Application organized a one-day FDP on the topic "The Power of Habits" on 2nd December 2022. Tmt. Rajavalli Rajiv, Social Entrepreneur was the resource person. During the sessions, she conducted

various activities for the staff to evaluate themselves at various levels. She added that a person with ethics and moral values will always soar to greater heights. Her key phrase during one of the sessions was "Less is more". Various activities were conducted and the active participants

were made star performers. Dr. Cletus Babu, Chairman, SCAD Group motivated the staff through his inspiring speech. Dr. K. Jeyakumar GM(D) inaugurated the event and delivered the inaugural address. The event was coordinated by Dr. L. R Priya, Head, IQAC and Mrs. D. Angeline Ranjithamani HOD-MCA.

FXEC Students win Startup TN Hackathon

Organized by Tirunelveli District Administration and Google Developer Group

The members of the team receiving the award from Thiru. Gokul, IAS, Assistant Collector, Tirunelveli District

Jaithoon Rehana M P K, I MBA
Students of FXEC forming into Various teams from the Industrial Applied Labs participated actively in the Hackathon organized by Mr.Gokul IAS, Assistant Startup TN, Tirunelveli Regional Hub in association with Google Developer Group, Madurai. Out of 600 ideas submitted, 161 were shortlisted and formed as 28 teams. Out of the 28 teams participated in the hackathon, the team comprising Ms.M.Dharshini of III year CSE, Ms.Abirammy, Mr.T.A.Gladston Akash Raja, Mr.MariSelvam, Mr.S.U.Vijay of 2nd year AI&DS won the 1st prize with a seed grant of Rs 35,000/- for the Artificial

G, Muthu Yogesh S and Kishore N of III B.Tech IT. The team represented The Embedded and IoT Applied Lab comprising Thangavel M, Gausik M, Harini Gomathy S, Haseena P of II ECE received a seed grant support and Mentor Support. Dr. S. Cletus Babu, Chairman SCAD Group of Institutions, Dr. K. Jeyakumar, General Manager Development, Mr.Krishnakumar, General Manager, Administration, Dr.Velmurugan, Principal appreciated the winners for their outstanding contribution to the society as an engineer.

The team from Embedded and IoT Applied Lab received the Seed Grant and Mentor Support

Mobile App Applied Lab won the 3rd Place.

Foundational Skills to make the aspirants sense the true spirit of Engineering

Imparting 23 foundational skills for the first year students

Jaithoon Rehana M P K, I MBA

In a move to create a verve in the 1st year students of the batch 2022-23, the training and Skill Development wing of FXEC organized a 30-day foundations! Skill training to impart 23 foundational skill sets to be known by an engineering students. The skills include LCD Projector Assembling and Dismantling, Working with Multimedia Software and MS Access, MS Office using packages Programming, Smart Applications using Arduino and Sensors, Software Installation, Wi-Fi Configuration and applications, Design your dream with CANVA, FIGMA and ALEXA, Field Mapping & Modelling, Identification of Electronics Components and I-O devices, Domestic and

First year students at the foundational skill training.

Industrial Wiring, assembling and Dismantling of Stabilizer, assembling and Dismantling of Refrigerator, assembling and Dismantling of Air - Conditioner, assembling and Dismantling of Bicycle, assembling and Dismantling of Ceiling FAN, assembling and Dismantling of Gas Stove, assembling and Dismantling of Grinder, assembling and Dismantling of Mixer, Computer Hardware assembling, Dismantling and Network Troubleshooting Techniques, Concreting, assembling and Dismantling of Iron box and assembling and Dismantling of Induction Stove. The conduct of Foundational Skills is coordinated by Dr. S. Balaji, Director, Training and Skills Development. The students actively participated in learning the new skills. Assessments are conducted to ascertain that the students understand the basic concepts.

IBM HACKCHALLENGE

Dr. Subbu Lakshmi T C, Professor, Dept. of IT, Tech Lead, Ideation Applied Lab, FXEC has been awarded with the "BEST MENTOR AWARD" in the IBM-Hack Challenge 2022.

Francis Xavier Engineering College is awarded with the "Top Performing Institution Award" in the Hack Challenge 2022. On behalf of the Institution, the award was received by Dr. Lakshminarayanan, Asso. Prof, Department of ECE, in-charge of Embedded and IoT Applied Lab.

Student Corner

"The foundational skills gave us an impetus to move forward with the new spirit and hope. I found foundational skills - an exemplary method of teaching-learning process as we learn through experimenting. Thanks to the management for providing us with such a great opportunity."

-Jothimeena, I B.Tech AI&DS

Facilitating students to become inventors:

FXEC gets the Topmost 3.5 star Rating

Francis Xavier Engineering College is ranked one among 59 top Performing Colleges in India by the Ministry of Education, Govt. of India, AICTE & MoE's Innovation Cell for the entrepreneurship activities organized for the students and faculty members.

Students of FXEC win Laurels in Anna University Zone 18 Tournaments

In the recently conducted Anna University Zone 18 Tournaments, the students of FXEC won the first place in Football Men, Table-tennis Men, and Badminton Women and won the Second place in Basket Ball Women, Volleyball Men and Chess - Women, and Third place in Basketball Men.

RECENT PLACEMENTS

Placement offer from Sutherland

Francis Xavier Engineering College is in the forefront in placing its students in reputed MNCs. Through the recruitment drive organized recently, 83 students of the final year from various streams received placement offers from Sutherland.

Placement offer from Wipro Infrastructure Engineering

Thirty Seven Students got placed in Wipro Infrastructure Engineering with an internship stipend of Rs 14K per month.

More placement offers from TCS

Recently four more students received placement offers from the tech-giant TCS
